

Transcript of notes taken at meeting with Hamas in Ramallah December 3rd, 2008.

- The occupation [of Palestinian Territories] does not end the conflict.
- No application of UN resolutions.
- Only implement agreements for security of Israel.
- No expansion of settlements but does not happen.
- The international community should pressure Israel to implement UN resolutions.
- Hamas has accepted borders within 67 [borders] providing all UN resolutions implemented.
- Hamas do not accept that 48 [creation of state of Israel] was correct.
- What proof have Israel given that they want peace.
- As Hamas guarantees the security of Israel within the 67 borders they should be in negotiations.
- Israel does not want 67 borders so they keep Hamas out.
- Palestine state within 67 borders recognised by Hamas.

Ramallah Dec 3rd

- The occupation does not end the conflict
No application of UN resolutions.

- Only implement agreements for security of Israel
